

## Four Seas Acupuncture LLC

### FINANCIAL POLICY

Revised: January 1, 2022

We request payment at the time service is provided. We are able to accept payment in the form of Cash, Visa and MasterCard. We can also accept payment from Flexible Spending Accounts (FSA) and Health Saving Accounts (HSA).

Four Seas Acupuncture is a credentialed in-network provider with the Veterans Affairs (VA) Community Care Network (CCN) plan administered by OPTUM. This plan requires a referral for each episode of care and there is no copay for these visits. We can provide superbills to patients with out of network coverage for acupuncture. You will be required to pay for your treatment at the time of service but you can submit the bill to your insurance provider to receive reimbursement. Please note that many insurers only cover acupuncture for a very limited number of conditions. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract. Please be aware that some – and perhaps all – of the services you receive may not be covered or not considered reasonable or necessary by Medicare or other insurers.

Current time of service charge rates for acupuncture consultation and treatment are as follows:

**100 Minute Initial Appointment - \$180.00**

**80 Minute Follow Up Appointment - \$120.00**

Our practice is committed to providing the best treatment to our patients. Thank you for understanding our payment policy. Please let us know if you have any questions or concerns.

I have read and understand the payment policy and agree to abide by its guidelines. I accept financial responsibility for all services rendered to me (or to the patient, if different) by Four Seas Acupuncture LLC.
